

Don't Insult My Sacrifice

I, _____, as a New York City police officer, request that Mayor Bill de Blasio and City Council Speaker Melissa Mark-Viverito refrain from attending my funeral services in the event that I am killed in the line of duty. Due to Mayor de Blasio and Speaker Mark-Viverito's consistent refusal to show police officers the support and respect they deserve, I believe that their attendance at the funeral of a fallen New York City police officer is an insult to that officer's memory and sacrifice.
