

For Immediate Release

**HBO RENEWS *VEEP* FOR A FIFTH SEASON AND
SILICON VALLEY FOR A THIRD SEASON**

LOS ANGELES, April 13, 2015 – HBO has renewed the comedy series *VEEP* for a fifth season and *SILICON VALLEY* for a third season, it was announced today by Michael Lombardo, president, HBO Programming.

“*VEEP* and *SILICON VALLEY* are terrific series, and I’m immensely proud that they will return to HBO next year,” noted Lombardo. “Along with ‘*Game of Thrones*’ and ‘*Last Week Tonight with John Oliver*,’ both of which have already been renewed for 2016, they give HBO a stellar Sunday night like no other.”

Created by Armando Iannucci, *VEEP* stars Emmy® and Screen Actors Guild Award winner Julia Louis-Dreyfus as new President Selina Meyer, for whom even the most banal action can have unexpected and far-reaching consequences. The Emmy®-nominated series kicked off its ten-episode fourth season Sunday, April 12 (10:30-11:00 p.m. ET/PT).

In addition to Julia Louis-Dreyfus, the ensemble cast for the fourth season includes Emmy® winner Tony Hale, Emmy® nominee Anna Chlumsky, Reid Scott, Matt Walsh, Timothy Simons, Sufe Bradshaw, Kevin Dunn, Gary Cole and Sam Richardson.

The Emmy®- and Golden Globe®-nominated series *SILICON VALLEY* takes a comic look at the modern-day epicenter of the high-tech gold rush, where the people most qualified to succeed are the least capable of handling success. A collaboration
